

JOBY gorillatorch

Magnetic feet / Flexible legs / Ultra-bright light

Flexible, wrappable legs and super-strong magnetic feet allow you to attach the Gorillatorch to just about anything; illuminate your target while keeping your hands free!

Rubberised rings and foot grips provide enhanced stability on slippery or uneven surfaces and will not scratch paint.

Ultra-bright CREE LED provides a maximum output of 65 Lumens/1 Watt

Dimmer switch allows you to dictate the level of brightness for use in any scenario. Control power output and brightness with a twist of the wrist

Compact and lightweight, the Gorillatorch is ready for your next adventure. It's adaptable form factor enables you to stow it anywhere.

Water resistant, the Gorillatorch shines in all environments, no matter how extreme.

Average battery life

-  Maximum = 20 hours
-  Optimum = 50 hours
-  Economy = 80 hours

The Gorillatorch uses 3 x AA batteries (Batteries supplied in USA, but not Internationally due to restrictions)

Point-of-Sale Presentation, the Gorillatorch is clam packed showing the unique feature of it's wrappable legs.

Versatile, powerful, dependable, portable and fun, the Gorillatorch is a brilliant gift for the enthusiast, auto repair, maintenance, home improvement, camping/outdoors and creative lighting - the possibilities are endless!
