

Building and construction

RollPilot S12

NEW

Measuring wheel for use on straight lines and curves

- This mechanical metering wheel delivers accurate measured values at all ranges up to 9.999,9 m.
- Large, easy to read display with additional fine scale (1 - 9 cm) for precise measurement
- Addition when wheels are turning forwards,
- The moving pointer shows the exact start and end positions.
- Folding design and softbag for easy transport.
- Well positioned brake and zero setting directly on handle.
- Non-wearing cardanic scale drive
- Accuracy ± 10 cm / 100 m
- Metering wheel with 1-metre circumference

Foldable for easy transport

Inclusive: RollPilot S12, softbag
