

DuraMax Pro 200

New

Professional rotary laser in extremely rugged design – horizontal levelling even under tough working conditions

Automatic self-leveling Rotary Laser 635 nm, Self-Leveling range horizontal $\pm 5^\circ$, precision 1 mm / 10 m, temperature calibrated (SLS).

Ideal for horizontal levelling, even under toughest construction situations, for instance with the optional Machine Receiver SensoPilot Pro.

Anti-Drift-System (ADS) for highest security – the electronic instrument is permanently controls and switches off in case of disturbance.

Horizontal slope setting possible, working range of receiver max. 200 m radius. Easy to use – just press one button.
