

Laserliner®

Greenline-Laser 5P

Cross-line laser with 5 extreme bright green laser lines and plumb function.

Rev.0411

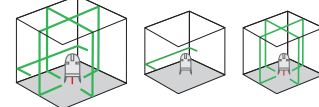

- **Green laser technology:** because of the physiology of the human eye, green lasers are more visible than red lasers by an order of magnitudes. This makes these lasers easily visible over longer distances and in bright ambient light.
- **Automatic Level:** automatic alignment by virtue of a magnetic pendulum system.
- The **4 vertical lines** are aligned at right angles to one another.
- A simple, precise plumb function is afforded by the **additional plumb laser** at the bottom and the laser cross at the top.
- **Individually switchable** laser lines.
- **Out-Of-Level:** is indicated by optical signals when the unit is outside its self-levelling range.
- **GRX-Ready:** in combination with the optional laser receiver, the integrated hand-held receiver mode permits detection of laser lines at long distances and under unfavourable light conditions.
- Long-lasting, powerful **rechargeable lithium-ion battery**.
- The pivoted housing can be turned with a **vernier adjustment mechanism** to permit exact positioning of laser lines.
- **Vial and height-adjustable feet** for preliminary adjustment of the unit.
- **Transport lock:** A pendulum lock protects unit during transport.
- Green laser technology with 0 °C ... 40 °C temperature range.

TECHNICAL DATA

| | |
|-------------------------------|---|
| ACCURACY | 2 mm per 10 m |
| SELF-LEVELLING RANGE | ± 2° |
| LEVELLING | automatic |
| LASER WAVELENGTH | line lasers (green) 532 nm plumb laser (red) 650 nm |
| LASER | line lasers, class 2M / < 5 mW plumb laser, class 2 / < 1 mW |
| POWER SUPPLY | rechargeable lithium-ion battery |
| WEIGHT | 1.7 kg |
| DIMENSIONS (W x H x D) | 135 x 215 x 135 mm |

1H 4V 1D

Greenline-Laser 5P
including carrying case
+ tripod adapter
+ charger
+ laser enhancement glasses
+ rubber caps
+ rechargeable lithium-ion battery

Packing dimension (W x H x D)
325 x 280 x 215 mm

Stable metal base with vernier adjustment

Individually switchable laser lines

Removable lithium battery pack with charger function.
